## The Laramie Project

**C**ast and crew of *The Laramie Project* had the opportunity to perform the play for an enthusiastic and receptive audience in Smithers this past weekend. A good time was had by all.

A big round of applause goes out to the Smithers producers Miriam Colvin and Matthew Pearson who invited us to share the message of this important play with their community. A big thank-you also to Hans Saefkow who worked very hard while helping us move into and out of the theatre.

## Youth Troupe

**T**he TLT Youth Troupe is working hard on their year-end production of William Gleason's *Louder, I Can't Hear You*, directed by Garion Willer. **Please come out and support the Youth Troupe at the McColl Playhouse on June 16th and 17th at 8:00 pm.**
